

275-Plug Perennials, Herbs, & Grasses

Alyssum Summit

Alyssum saxatile 'Summit' [PH]

This Fleuroselect Award winner from Syngenta is replacing 'Gold Dust'. 'Summit' is very early to flower with masses of bright golden yellow flowers. A selection from an old favorite with a compact and uniform habit. Grows 6-8". Full Sun. Zone 3-7.

Aquilegia caerulea 'Heavenly Blue' [PI]

A long-blooming Aquilegia with sky blue flowers that have white corollas. Flowers are large, long-spurred and appear over gray-green foliage that has a mounding habit. Grows to 24". Sun/Part Sun. Zone 4.

Aquilegia Heavenly Blue

Aquilegia
Double Mixed

Aquilegia vulgaris 'Double Mixed' [PI]

A wonderful assortment of rich carmine-red, soft shades of pink, white, & violet together in a mixture with a high percentage of double spurless blooms. Grows to 35". Sun/Part Sun. Zone 3.

Aquilegia vulgaris 'William Guinness' [PJ]

With deep purple, almost black and bright white sepals, 'William Guinness' makes quite a statement! The medium sized flowers are short spurred and appear over a bushy, clump-forming habit. Grows to 24". Sun/Part Sun. Zone 3-8.

Aquilegia
William Guinness

Aquilegia
Winky Double
Rose & White

Aquilegia vulgaris 'Winky Double Rose & White' [PP]

Another great color in the Double Winky series from Kieft! Frilly, upward facing blooms with rosy-pink sepals and creamy white petals appear over nicely compact dwarf plants. Grows 12-14". Sun/Part Sun. Zone 3-8.

Arabis caucasica 'Little Treasure Deep Rose' [PF]

Part of a new series from Syngenta! Little Treasure is free flowering with a low, spreading habit that is strong branching and stays compact and tight. The bright rose flowers show continuously and make this Arabis a great groundcover. Grows 4-6". Sun/Part Sun. Zone 3-8.

Arabis
Little Treasure
Deep Rose

Aubrieta F1 'Audrey Purple Red Mix' [PF]

The first F1 Aubrieta from seed by Syngenta! The Audrey series offers larger flowers and a more compact habit than other varieties which means more flower power and a longer shelf life! 'Purple Red Mix' is a combination of bright carmine-red and deep violet. Grows 3-6". Sun/Part Sun. Zone 4-7.

Aubrieta Audrey
Purple Red Mix

Campanula medium 'Champion Blue' [PP]

This Fleuroselect winner from Sakata now joins 'Champion Pink' in the series available from Swift's. A first year flowering variety, 'Champion Blue' produces many deeply cut deep blue flowers along tall, sturdy stems. Grows 24-30" Sun/Part Sun. Zone 3.

Campanula
Champion Blue

[Dianthus deltooides 'Vampire' \[PD\]](#)

Fittingly named, 'Vampire' produces loads of deep blood-red 1" blooms over a mounded ball of narrow, silver-green foliage. A standout in the garden.

Grows to 6". Full Sun. Zone 2-9.

Dianthus Vampire

[Digitalis hybrida 'Pam's Split' \[PJ\]](#)

Flowering in its first year, 'Pam's Split' produces multiple flower spikes branching from the base. The white tubular flowers have deep purple speckled throats. Each petal is 'split' which gives them a slightly ruffled look. Very neat!

Grows 3.5-4'. Sun/Part Sun. Zone 4-8.

Digitalis
Pam's Split

[Digitalis purpurea 'Snow Thimble' \[PF\]](#)

A very unique Digitalis. 'Snow Thimble' has pure white bell shaped flowers with no spotting on the throats! Blooms are large and appear along tall spikes.

Grows 35-40". Sun/Part Sun. Zone 4-8.

Digitalis
Snow Thimble

[Dracocephalum moldavica 'Blue Dragon' \[PE\]](#)

Much like a Salvia with many erect stems boasting bright blue-violet flowers that are held above dark green thin foliage all Summer long.

Foliage is mildly scented. Grows to 26". Full Sun. Zone 5-8.

Dracocephalum
Blue Dragon

[Edraianthus tenuifolius 'Grassy Bells' \[PL\]](#)

A plant with grass-like foliage and Campanula-like blooms! This neat, compact plant has narrow grass-like leaves and produces clusters of upward facing violet bell-shaped flowers in early Summer. Great for rock gardens as it needs well drained soil. Grows to 5". Sun/Part Sun. Zone 5.

Edraianthus
Grassy Bells

[Gaillardia aristata 'Arizona Apricot Shades' \[PJ\]](#)

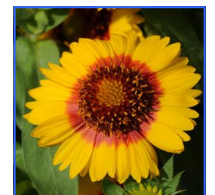

Another great color addition to the first year flowering Arizona series from Benary! 'Apricot Shades' blooms have wide apricot centers surrounded by a brilliant golden-yellow halo. Blooms throughout the season over compact plants that are uniform in size and habit. Grows 10-12". Full Sun. Zone 2-10.

Gaillardia Arizona
Apricot Shades

[Gaillardia grandiflora F1 'Mesa Bright Bicolor' \[PN\]](#)

A new color in the spectacular first year flowering Mesa series from PanAmerican Seed! 'Mesa Bright Bicolor' blooms have very thin crimson centers surrounded by bright clear yellow. The Mesa series is well suited for annual as well as traditional perennial production. Grows 16-18". Full Sun. Zone 5.

Gaillardia Mesa
Bright Bicolor

[Herb Basil 'Corsican' \[PC\]](#)

This Basil is very versatile, it can be used as a garnish, a filler in floral arrangements, even as a focal point in the garden! 'Corsican' is an heirloom Mediterranean Basil and has unique mottled green and purple foliage. It has a mildly sweet flavor. Grows to 18". Full Sun. Annual.

Basil Corsican

[Herb Basil Floral Spires Lavender \[PE\]](#)

Both edible and ornamental, this Basil is great for patio containers or in pots mixed with other herbs. 'Floral Spires Lavender' is densely branched with gorgeous flowers and has a distinct cinnamony Thai basil scent.

Grows 8-10". Full Sun. Annual.

Basil Floral Spires Lavender

Cilantro Santo

[Herb Cilantro 'Santo' \[PA\]](#)

Extra slow to bolt which means more leaves for harvest! 'Santo' grows slower which gives plenty of time to harvest leaves while other varieties have already bolted to flower. Grows 12-18". Full Sun. Annual.

[Herb Parsley 'Rialto' \[PD\]](#)

A large, dark green flat leaf Parsley that has a lemony flavor.

Grows 18-20". Full Sun. Annual.

Parsley Rialto

[Heuchera hybrida 'Malachite' \[PM\]](#)

A great Heuchera from Kieft! This fade-resistant partner to 'Melting Fire' has deep green heavily curled and crinkled foliage that forms a mound.

'Malachite' sends up spikes with small white flowers and keeps its shape all season long. Grows 10-16". Part Sun. Zone 5-8.

Heuchera Malachite

[Heuchera pulchella 'Fairy Dust' \[PL\]](#)

A very dainty Heuchera with its small, $\frac{1}{2}$ " pale green leaves that form a small compact mound. Fairly short flower spikes have small blush pink flowers that fade to white towards the ends. Very cute! Grows to 12". Part Sun. Zone 4.

Heuchera Fairy Dust

[Hollyhock alcea rosea 'Peaches 'n Dreams' \[PN\]](#)

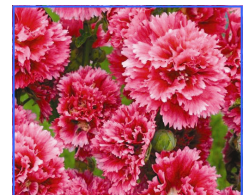

Extra fluffy double creamy peach blooms appear atop strong sturdy stems over a long season. 'Peaches 'n Dreams' adds a dramatic effect to the back of the border. Grows 5-6'. Full Sun. Zone 3-9.

Hollyhock Peaches 'n Dreams

[Hollyhock alcea rosea 'Fiesta Time' \[PK\]](#)

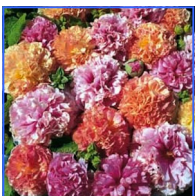

Thompson & Morgan bred this Hollyhock to be compact and stunning and they nailed it! 'Fiesta Time' produces large, double, fringed bright rose blooms atop compact sturdy stems. Grows to 36". Full Sun. Zone 3-9.

Hollyhock Fiesta Time

[Hollyhock alcea rosea 'Fruity Mix' \[PP\]](#)

Another wonderful Hollyhock from Thompson & Morgan! 'Fruity Mix' is a beautiful assortment of appleblossom, pinks, and peach shades. Blooms are large, full, and pleated. Grows to 6'. Full Sun. Zone 5-9. Biennial.

Hollyhock Fruity Mix

[Oreganum rotundifolia \[PH\]](#)

Unusual and interesting. This first year flowering ornamental Oregano has rounded, pale green, aromatic leaves that form nodding hop-like bracts and are tinged purple. Great as a groundcover, but most striking in hanging pots with its drooping flowers. Heat and drought tolerant.

Grows to 8". Full Sun. Zone 5-10.

Oreganum Rotundifolia

Papaver
Summer Breeze Mix

[Papaver nudicaule 'Summer Breeze Mix' \[PH\]](#)

This cute little poppy blooms like crazy! Flowers are miniature when compared to those of the Champagne or Wonderland series' and come in shades ranging from pale yellow to scarlet orange with a few white. Plants stay very small and compact. Grows to 15". Full Sun. Zone 3.

[Papaver orientale 'Fruit Punch' \[PH\]](#)

This first year flowering Poppy from Thompson & Morgan packs a punch with its huge 5" silky, ruffled blooms over weather-resistant plants. 'Fruit Punch' is a bright mixture including reds, hot pinks, oranges, & plums all with black centers. Grows 15-24". Full Sun. Zone 4-9.

Papaver Fruit Punch

Primula
Supernova Mix

[Primula polyantha 'Supernova Mix' \[PQ\]](#)

A wonderful F1 hybrid Primula with improved disease resistance and earlier, larger flowers, 'Supernova Mix' is sure to please! 2" flowers are held in 4-5" umbels in a wide array of bright colors.

Grows to 8". Sun/Part Sun. Zone 4-9.

[Salvia taraxicifolia 'Citrus Scent' \[PJ\]](#)

Shell pink to white blooms are borne loosely along upright stems. The green, slightly downy grey foliage has a nice citrus scent. Heat tolerant.

Grows to 12". Full Sun. Zone 5.

Salvia
Citrus Scent

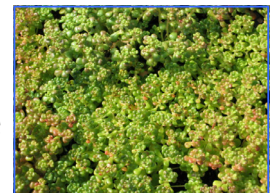

Sedum
Turkish Delight

[Sedum ussuriense 'Turkish Delight' \[PM\]](#)

This Sedum from Thompson & Morgan boasts deep burgundy almost black foliage in a compact mounding habit. Carmine-red flowers in clusters top it off to make an attractive plant! Grows 4-6". Full Sun. Zone 3.

[Sedum Oreganum \[PF\]](#)

Similar to worm grass, this Sedum is a creeper that forms cushions of bright green leaves that tend to turn red-brown in high sunlight. Small yellow flowers appear in late Summer. Grows to 2". Sun/Part Sun. Zone 5.

Sedum Oreganum

Sedum
Glaucophyllum

[Sedum Glaucophyllum \[PF\]](#)

These flat, Hen-n-Chick-like rosettes of blue-green form a low-growing cushion habit. Graceful arching white sprays of flowers appear early in the season. Does well in full sun as well as partial shade.

Grows 4-5". Sun/Part Sun. Zone 5.
