LOCK IN YEARLY VOLUME PRICING!

Place your orders all at one time for 1000+ total trays of 50-Plugs per season & let Swift's know. Once received, we will set up the orders to receive yearly volume pricing.

Multiple ship dates allowed.

Requests must be made each season for this special pricing.

Swift's must be contacted at time orders are placed to lock in these prices.

THIS PRICE LIST IS EFFECTIVE FOR 50-PLUGS SHIPPED ON OR AFTER AUGUST 29, 2011 (WEEK 35).

Pre-booked 50's Are Available AUGUST 29 Through MARCH 19.

Orders placed to ship between March 19 and August 27, 2012 are subject to our current, weekly availability and will not be Acknowledged until the week prior to shipping.

VERNALIZATION (Cold Treatment): Swift's 50-plugs are shipped actively growing in the Fall and have not been vernalized. Most plugs shipped from January thru March have been fully vernalized for predictable flowering and growth.

PRICING: (Subject to change) Volume prices are based on total quantity of 50-Plugs purchased per order (per ship date). Early Shipment Discounted prices do not include labels, boxes, shipping charges, or royalty/patent charges. Special yearly volume prices are valid for orders shipping August 29, 2011 through August 19, 2012 (Week 35 thru Week 34) & must be requested annually. All patent charges include a 1-3¢ per plug administration fee.
Minimum order is 4 trays of 50-Plugs.

LABELS: Labels will be shipped with each order unless otherwise specified (see page 1 of the order form). Returns are accepted with a 25% restocking fee & credit is only given on full, unbroken packs of labels upon their return to Swift's.

SHIPPING: FedEx Ground is the recommended shipping methods for large plug (50's) perennials. FedEx Truck Freight can be used on large orders over 100 flats to the Eastern United States if cost effective. Truck freight is usually faster but slightly more expensive. Smaller East Coast orders (less than 100 flats) will be shipped Ground at customer risk. Ground costs are usually about 6¢-9¢ per large plug. Swift's is not liable for the chosen shipping method.

PACKING: Orders are packed 3 to 5 large plug trays per case (22" x 12 1/2" x 14 1/2" @ ~ 30 lbs., depending on wetness). Trays per case vary due to plant height at time of shipping and full cases are not guaranteed. There is no charge for packing or cold weather packing. There is a Cardboard Charge of \$3.25 per box.

CANCELLATIONS: No cancellations are permitted on 50 plug material after February 1. No cancellations are permitted on 10 trays or more of individual 50 plug items after they have been held and acknowledged for three months or longer. If cancellations are made after February 1, 2011, the broker is responsible for reselling the items by our last scheduled ship week of March 19, 2012. Resold canceled items will be priced according to the order volume they are shipping on. Unsold canceled products will be billed to the broker using their the late season volume prices based on quantities left to sell.

ORDER CHANGES: We do our best to accommodate our customers' needs and allow changes & new orders up until order processing begins, usually 3-5 days prior to shipping. However, during our peak times (Jan-March), changes to orders will not be permitted once order processing has begun, up to 12 days prior to order ship date.

CLAIMS: Certain varieties require special conditions in order to grow and perform properly. Varieties requiring long days and warm nights are marked on this list with a 'light bulb'. **Swift's also provides a 'Growing Recommendations' sheet with every order shipped that specifies the varieties and the necessary growing conditions for those varieties. If these instructions are not followed, Swift's can not be liable for any losses and/or claims.** Swift's will not be responsible for, nor honor any claims for shortages or damages unless notified **within 2 days of receipt of shipment.**

Early Shipment Pricing (10% discount off Standard Pricing)
Valid on all 11+ tray orders shipping August 29 thru November 18, 2011.
